Subject: Letter of Support for BZA Case 21211 – 2826 28th St. SE, Washington, DC 20020

Dear Members of the Board of Zoning Adjustment,

On behalf of Advisory Neighborhood Commission 8B (ANC 8B), I am pleased to submit this letter of support for BZA Case 21211 regarding the proposed development at 2826 28th St. SE, Washington, DC 20020.

At our duly noticed public meeting on Tuesday, February 18, 2024, at 7:00 PM, held at 2455 Alabama Ave. SE, Washington, DC 20020, 28th St. Holdings LLC presented their proposed project, outlining modifications made in collaboration with ANC 8B. The developer highlighted significant design changes based on community and commission feedback, including:

- **Height Reduction:** The developer removed the fourth floor to maintain consistency with adjacent properties in the community, ensuring the building height remains in harmony with the surrounding neighborhood.
- **Parking Considerations:** While the developer's current parking provisions comply with zoning regulations, concerns from residents regarding parking were addressed. In response, the developer committed to exploring additional parking spaces on an adjacent property under their ownership.
- **Community Engagement:** The developer expressed a strong commitment to continued involvement within ANC 8B and supporting community initiatives.

Following the presentation and an open public discussion period where residents voiced their concerns, the Commission voted on a motion to support the project. The motion passed with seven commissioners voting in favor of the project.

Given the developer's responsiveness to community concerns, commitment to neighborhood engagement, and adherence to zoning requirements, ANC 8B formally recommends approval of BZA Case 21211 for the proposed development at 2826 28th St. SE.

We appreciate the Board's consideration of our recommendation and the developer's efforts to ensure this project aligns with the community's needs. Should you require any further information, please do not hesitate to contact us.

Sincerely,
