

8B06 MONTHLY BULLETIN

MESSAGE FROM COMMISSIONER MICK

Welcome to the July edition of the 8Bo6 Bulletin— I want to start with a special thank you to all the residents and volunteers who supported Phase III of our Pop-Up Clean-Up. Your commitment to keeping our streets clean makes a real difference. I also want to recognize Captain Rachel Pulliam of the 7th District Precinct for her presence at the clean-up. Her continued support, partnership and presence in our neighborhood is felt and appreciated. As we celebrate July 4th, may we also reflect on the power of collective action. Our strength lives not only in what we celebrate, but in how we continue to show up for one another, every day.

IMPORTANT JULY LOOK AHEAD

Neighbors, an important election is ahead—on Tuesday, July 15, we'll head to the polls to elect our next Ward 8 Councilmember in a Special Election that will shape the immediate direction of our community. This is your chance to choose a leader who will represent your voice, your values, and your neighborhood at the Council table. We've got strong candidates stepping up—take your time to learn about each one and make an informed decision about who should serve as our next Councilman or Councilwoman.
