

COMMISSIONER KEYES QUARTERLY NEWSLETTER

FROM EVENTS TO IMPACT: WHAT'S NEW IN OUR NEIGHBORHOOD

This quarter has been full of connection, service, and community building. I had the privilege of attending and supporting several important events, including the 8B Commission Community Day, the OAG Community Forum, and partnering with local organizations to create hygiene kits in response to the Federal Takeover for unhoused neighbors. I also collaborated with Planned Parenthood for the "Spill The Tea" series, helping bring vital health conversations to our community.

Looking ahead, this newsletter also highlights upcoming events, community resources, and opportunities to get involved. I'm committed to keeping you informed, advocating for our neighborhood, and continuing the work that strengthens us all.
