## MESSAGE FROM COMMISSIONER MICK

September was a month of service and community partnership! First and foremost, thank you to the residents who came out and rolled up their sleeves for Phase 4 of our Pop-Up Clean-Up on September 13th. Your dedication makes the difference.

A huge thank you as well to the DC National Guard, whose support came under the Beautification Order, for joining us in this effort. Together, we collected 27 bags of trash and made a visible impact on our neighborhood. A special thank you to Lieutenant COL Marcus Hunter for his presence during our SMD meeting and his continued support of community initiatives.

Building on that momentum, we teamed up with Principal Shelby at Kramer Middle School to bring the cinema experience to 40 students, families, staff, and volunteers during our Hornets Family Movie Night. Thanks to community activist Jaha Booker, 14 backpacks were donated to students, and ten \$25 gift cards were raffled off to bring extra excitement to the night, making the event even more special.

These moments reflect 8Bo6's ongoing commitment to bridging the gap between our youth and the service men and women who support our community.
